### **CHOIR and LEVEL**

*Skilled/Advanced*

*Flexx* (an alternate to the word 'flecks') is a choral soundscape that focuses on a small patch of colour, light and particles. As a choir we gather collectively first as individuals and form a mosaic or melting pot of humanity. Use the suggested syllables and vowels, or the choir can create their own. This piece allows the singers to create a community through the development of ideas and art.

**Traditional Choral style.**
